In addition to awards, you might want to add a longevity pin to your Girl Scout uniform to mark the number of years you've been a member! Your years as a youth member plus your years as an adult member are self-reported – and if you have 30+ years, the pin is provided by our council.

Your SU might want to provide the pins and make them part of your rededication ceremony this year!

SU Managers and Association Chairs have a special recognition only they can approve! Commend Coins can be presented for any reason and are purchased from the GS Shop with a form (found in the Council Wide SU Team rally in the file “Recognitions for Adult Volunteers”.)

Where do you start?

Learn about these and other volunteer awards (and how to nominate someone!) on our website at gscnc.org > [Volunteer](#) > [Adult Recognition](#) or ask your SU Recognitions Chair for help. Our system opens for new nominations on October 1. Questions? Contact Mary Strauss at mstrauss@gscnc.org or 202-534-3776.
